

(Drawn by J. W. Barber—Engraved by S. E. Brown, Boston.

CENTRAL PART OF PITTSFIELD MASS.

This view shows the appearance of the Common, as seen from near the western side. The Congregational Church is the first building, with a spire, on the left; the next the Town-House; the next eastward is the Episcopal Church; the other buildings near are connected with the Medical Institution. The ancient elm, one hundred and twenty-six feet in height, is seen rising in the central part of the Common.
